

Hello everyone,

We are well into 2016 and the Year of the Monkey now.

A lot has happened already, The Solar Eclipse, The tremors from the Indonesain earthquake last week, A LOT of shopping at different bazaars, Plays, Concerts etc etc.

The time changed in the US this weekend - SPRING FORWARD!! So now the NYC, Boston, DC all on the East Coast of USA are just a 12 hour time difference.

**HAPPY HOLI and EASTER TIDINGS to everyone.**

This year is a leap year. Let your spiritual journey take a leap this year.

Registration is on a first-cum-first basis.

The goal of the series is to inspire business leaders and professionals to imbibe values and principles into their life & workplace and perform their activities with a conscience of responsibility of contributing something for societal good. The past five events organised by the forum in Singapore have all been very well attended and have been highly appreciated by participants. The last event hosted in Jan this year, titled "Conscious Leadership", received wide acclaim and appreciation for its content and relevance.

Looking forward to see you there!

**Artha Forum** (<http://www.arthaforum.com/>) is a community dedicated to connecting spirited entrepreneurs, professionals & business leaders and bringing to them the relevance of ancient wisdom literature in contemporary business. It is an independent not-for-profit initiative and our events have encouraged several entrepreneurs to include giving back to society (10-50% ownership) as an integral part of the Business Model.
